

EDUCATION:

BE(CSE): Sri Eshwar College of Engineering	CGPA:7.58(up to 5 th Sem)	2023-2027
DIPLOMA(CSE): Nachimuthu Polytechnic college	91.28%	2021-2023
SSLC: Bharatiya Vidya Mandir matric Higher Secondary School	PASS	2020-2021

INTERNSHIP

MERN Stack Intern	2025
Rampex: Built full-stack MERN applications, improved REST API integration, and followed clean code practices with Git.	
Java Spring Boot Intern	2025
Rampex: Developed scalable backend services using Spring Boot, REST APIs, MySQL & JPA, with API testing via Postman and Git-based version control.	

PROJECTS:

PantryPal – Smart Inventory & Expiry Tracker System	2025
Built a MERN-based inventory system with barcode input and OCR expiry detection, featuring low-stock & expiry alerts, shortage prediction, smart shopping lists, recipe suggestions, and analytics dashboards.	
Fin Track - Personal Finance Tracker	2025
Developed a MERN finance dashboard to track income/expenses/savings with reports, data visualization, and secure authentication for better financial planning.	
SpiroTrack – Asthma Attack Early Warning System	2025
Created a MERN + IoT health monitoring system (ESP32 sensors) to track vital parameters, visualize data, and trigger early-warning alerts with automated health suggestions via email/SMS.	

CERTIFICATIONS:

Fundamentals of Deep Learning	Nvidia	2025
Exploring Internet of Things	Cisco Networking Academy	2025
Networking Basics	Cisco Networking Academy	2025
MERN	Rampex	2025
Learning React	Infosys	2025
MongoDB	Infosys	2025
Java programming	Udemy	2024
SQL	Hackrank	2024

PROGRAMMING ACHIEVEMENTS

Leetcode : 100+ Problems, Code chef : 100+ Problems, Skill Rack: 400+ Problems – 62699 Rank

SKILLS

Languages – C | C++ | Java | Python | Java Script, Core – Full Stack Development
Tools – Vs code| Power BI | GitHub | Canva | Figma, Frame Work – React | Streamlit
